FUEL OCTANE BOOSTER

OCTA-SHOT

500 mL / unleaded petrol

01 PRODUCT PROFILE

Solvent based octane improver and emission reducer for unleaded gasoline.

BENEFITS

- Increase octane value
- Reduce emissions due to cleaner burning of fuel
- Provides wear protection for older vehicles and maintains modern vehicle emission systems at optimum performance

02 RECOMMENDED DOSAGE / OCTANE INCREASE

OCTA-SHOT	Petrol volume	93 fuel*	95 fuel*
500 mL	250 L	2	1
500 mL	200 L	4	2
500 mL	100 L	5	2.5
500 mL	50 L	6.5	3

*The 93 and 95 columns show the reported octane increase for the respective base fuels. The technical source does not state the test method or units for the increase.

The petrol volume is the base fuel volume before the additive is added.
